Thanks Noreen. Can you please be sure a final clean version of this document is saved on the I drive with the U&O FIP documents?

HI all

Attached is the completed Record of Communication of the July 22, 2015 meeting with the Ute Tribe. Thank you Cindy Beeler's excellent memory for details of the discussions. Please note the last section "Tribal Concerns". We are addressing some tribal concerns in the Invitation for Tribal Consultation memo Dee has in her action pile.
